

New EU regulations for hand luggage

There are restrictions on liquids which may be taken into the cabin on flights originating within the EU.

- ▶ Volume max. 1 ltr
- ▶ Re-sealable
- ▶ Transparent

Please present separately at the Security Control.

Medicines and special food required during the flight do not need to be carried in the plastic bag.

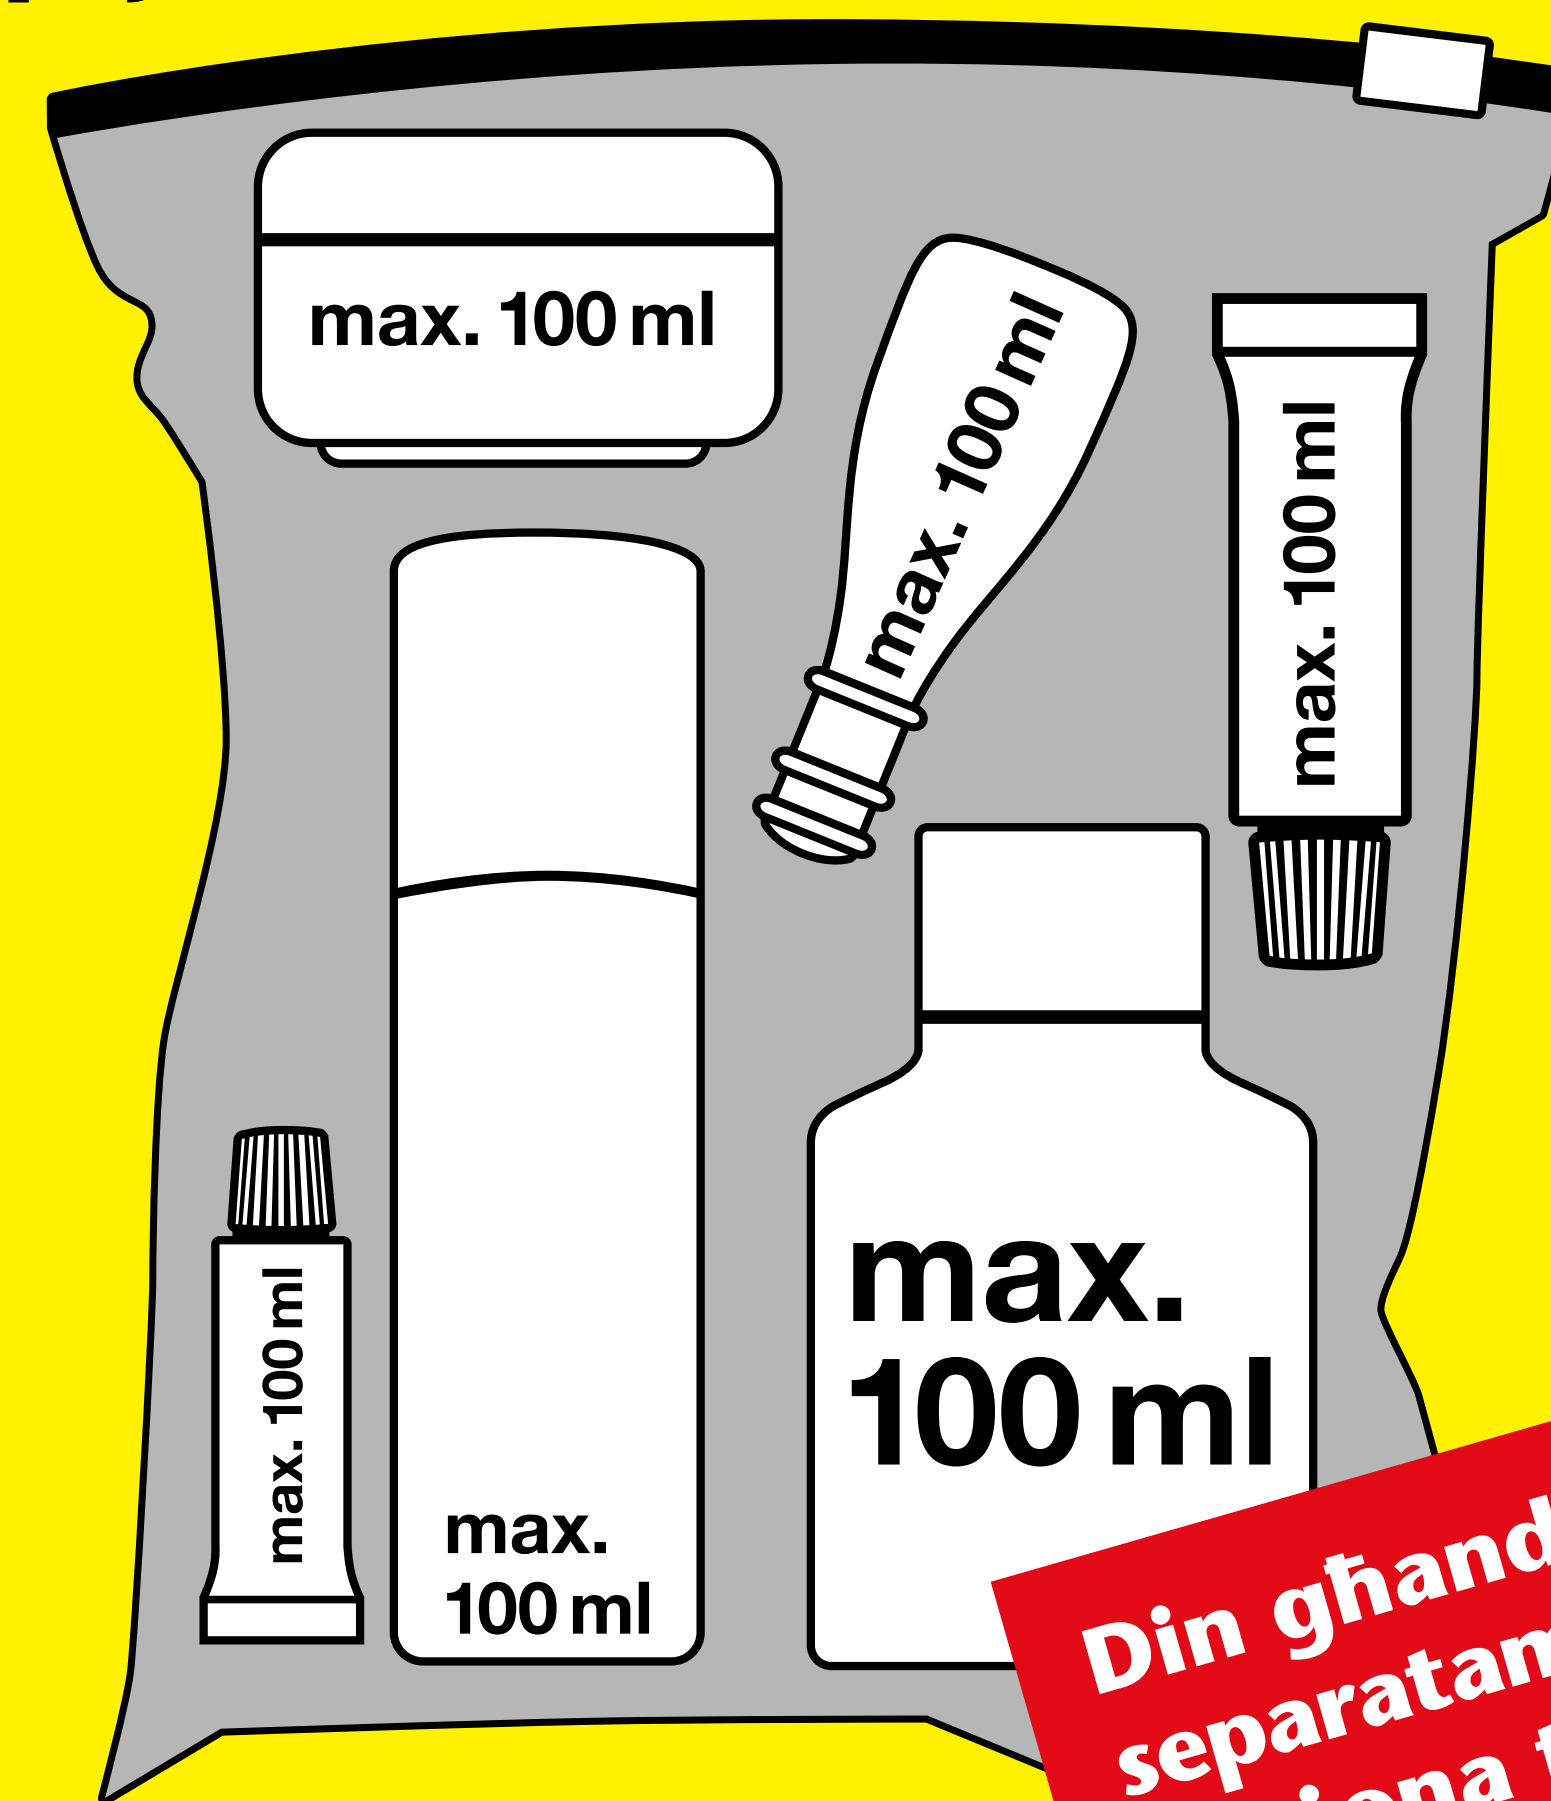

Duty free/Duty paid items, purchased at airports within the EU or on board an EU-airline may continue to be carried on board.

Regolamenti ġodda ta' l-UE dwar ġarr ta' *hand luggage*

Hemm restrizzjonijiet fuq likwidi li jistgħu jinġarru fil-kabina ta' l-ajruplan fuq titjiriet li joriginaw fl-Unjoni Ewropeja.

- ▶ Borża tal-plastik trasparenti li tista' terġa' tingħalaq
- ▶ Volum massimu ta' litru

Din għandha tigi pprezentata separatament mill-hand luggage fiż-żona tas-sigurta'

Mediċini u ikel speċjali meħtieġa waqt it-titjira jistgħu jinġarru mingħajr ma jitpoġġew fil-borża tal-plastik.

Oġġetti li jinxtrow minn ħwienet fl-ajruporti ta' l-UE wara li l-passiġġier ikun għadda mill-kontroll tas-sigurta', jew abbord linja ta' l-ajru ta' l-UE, jistgħu jinġarru fuq l-ajruplan.
