F. Explosives and incendiary substances, and devices capable of being used to cause serious injury or to pose a threat to the safety of aircraft;

A detailed list of prohibited items is available on-line www.maltairport.com/security.

Malta Airport reserves the right to confiscate any other item which would be deemed to constitute a threat. Apart from the prohibited items mentioned, the European Union (EU) adopted security rules that restrict the amount

of liquids carried through the security checkpoints as hand luggage to protect against the threat of liquid explosives.

This means that at Malta Airport security checkpoints, passengers and their hand luggage must also be checked for liquids in addition to other prohibited articles. Passengers can take onto the aircraft cabin any liquids purchased after passing Security Information through Security. Items purchased from the Departures Area, go through a separate security process. These include bottled water, wines, spirits, fragrances, and cosmetics of any size.

SECURITY INFORMATION

The following items are allowed through Malta Airport security check points:

- Liquids in individual containers with a maximum capacity of 100ml each, packed inside a re-sealable 1 litre plastic bag. Only one bag per passenger is permitted. It is recommended that passengers prepare these bags at home before arriving at the airport. The bags are to be taken out of the hand luggage and presented at the security checkpoint. They shall be x-rayed separately.
- Duty free liquids, aerosols or gels purchased from any airport or airline sealed in a security bag. The duty free liquid, aerosol or gel together with the receipt must be sealed inside a security bag with a red border at the time of purchase. The bag should not be opened until the final destination.

- Medicines and special dietary products, such as baby food, vital for the trip are also allowed. They need not be in the 1 litre bag but are to be taken out of the hand luggage, and presented separately at the security checkpoint for screening with liquid scanners. Passengers may be asked for proof of authenticity when travelling with such liquids (a medical certificate covering the specific items may be required).
- Exceptionally, security staff may open bottles or containers for screening. Following the security screening of liquids aerosols and gels, they may not be permitted through the security checkpoint.

SECURITY INFORMATION

Whenever possible, passengers should pack liquids in the hold baggage. Liquids include:

- All drinks, including water, soup and syrups;
- Cosmetics and toiletries, including creams, lotions, oils, perfumes, mascara and lipsticks;
- Sprays, including shaving foam, hairspray and spray deodorants;
- Pastes, including toothpaste;

One lighter per person may be carried on a flight. Lighters are considered to contain liquids and should be placed inside the 1 litre plastic bag.

Large electrical items, laptops, tablets are to be presented to security personnel out of the hand luggage for separate screening. Coats and jackets shall also be screened separately.

Passengers are also asked to divest from all metallic items such as (but not limited to) coins, keys, pens etc. and place them in the available blue containers to be x-rayed. It is advisable that small digital cameras and mobile phones are placed and screened inside the hand luggage to avoid any passenger mistakenly appropriating of other passenger's items. The travelling public is also advised not to take off any valuable jewellery unless instructed to do so by security personnel.

SECURITY INFORMATION

OTHER ITEMS

Pushchairs, walking aids and wheelchairs are normally permitted in the cabin but they will need to be security screened first.

Security personnel may for subjective reasons request that a passenger undertakes in depth searches in a private screening area.

MALTA AIRPORT SHOPPING

Retail on landside and airside offers passengers a varied choice.

A Pharmacy which is open till late is situated within the Welcomers' Hall. This is located on the right as soon as you walk out of the Baggage Reclaim Area.

Before the Security Checkpoint, the outlets vary from HEBE to a fully-stocked 8 Till Late Convenience Store, an Agenda Bookshop, a Samsonite outlet, Claire's Fashion Accessories, telecommunications services by Vodafone and a Lotto Booth.

Past the Security checkpoint one will find a walk-through Duty Free Store by Nuance, consisting of a wide variety of products from Perfume and Cosmetics, Spirits and Confectionery to Tobacco products.

The retail offer is further enhanced with a selection of quality brand clothing such as Hugo Boss, Lacoste and Guess.

This is further heightened with our exclusive Swarovski outlet as well. Bling is another outlet which offers costume jewellery. HEBE caters for the jet-setter that is looking for luxurious jewellery and accessories. (Games and toys for children can also be found, in the kid's selection available at the Duty Free Store).

In the Non-Schengen area, passengers will find another Diamonds International outlet and another store operated by Nuance, offering the same range of perfumes, liquor, confectionery items and beauty products. A Costa Coffee outlet is also present within the area.

DINING

A variety of Food & Beverage outlets are available both before and after the Security Checkpoint.

Before going through the Security Checkpoint, visitors have a choice of two Costa Coffee outlets (one at Check-In Hall and one at the Welcomers' Hall). Dr Juice Eating Place or Malta Airport's Food Court offer a variety of gastronomic delights. The dining experience ranges from Italian food to an English Pub. Burger King and KFC are also present, together with Cucina Italiana and Sandella's Flat Bread Cafe.

McDonalds is also located on the airport's perimeter with a 24 / 7 drive-through.

In the Departures' Lounge, past the security check-point, one will also find the first Hard Rock Bar to open in an airport terminal.

Costa Coffee has paired up with Cleland & Souchet to open a wine-cafe concept in the Schengen Departures area. Passengers can delight themselves to great coffee and hot pastries, as well as a varied selection of wine and platters. Relish, located at the end of the Departures area, also has a variety of meals for every time of the day. Choose between freshly prepared snacks from its open-style kitchen or from a selection of pre-packed snacks and pastries that travellers can enjoy on board their flight.
